Dear Volunteer,

It is a great pleasure for DSERT to share the information about the newly launched program 'Shalege Banni Shanivara' by Shri. Kimmame Rathnakar, Hon'ble Education Minister, GoK. As the title suggests this program aims at bringing the following

- Creating an opportunity for the education lovers to come to the school and talk about any education related topics using their expertise / experience based their professional or occupation
- Make the learning more interesting by getting education lovers to talk to the student and thus making learning joyful and engaging
- Bringing the admired people to the schools, so that students meet them and get inspired by them
- Good cordial relationship between volunteers and the school (Students / teachers)
- A space for volunteers to compliment the teaching practices that are already existing in the school

This opportunity is envisaged to bring a sense of commitment in both the volunteers and the school (Students and teachers).

So we welcome you all to be a part of this revolution of 'Imparting of quality education' in schools.

How to register:

Visit <http://schoolreportcards.in/SRC-New/LocateSchool/LocateSchool.aspx> to choose the school and www.dsert.kar.nic.in and register yourself with providing adequate details, we will get back to you.

With warm regards

Yours truly

S Jayakumar
Director - DSERT
