### Task 2.

Read the passage and fill in the table with facts about cats and dogs.

One is done for you.

#### Inferential comprehension

Domestic cats belong to the family of tigers, whereas domestic dogs belong to the family of wolves. Cats are very familiar with the area they live in. It helps them to find the best place to hunt. Hence a domestic cat remains faithful to its home area and it hunts alone. Wild dogs hunt in groups, share their food and co-operate with one another. Hence domestic dogs are faithful to their masters. Their body language too is unique in many ways. Cats arch their back and try to look large when they are angry, whereas dogs pull their lips back and show their teeth when they are angry. Cats and dogs do have some special skills. A cat can fall from a significant height but still survive without much injury. A dog guards the property as it is faithful to its master. It can sense any smell in no time.
